

H. Res. 383

In the House of Representatives, U.S.,

October 2, 2003.

Resolved, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (S. 3) to prohibit the procedure commonly known as partial-birth abortion. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read.

Attest:

Clerk.
